## VACUUM BAGS FOR STORAGE AND SOUS VIDE COOKING

Advantage vacuum bags ensure the best presentation of fresh, frozen and ready-to-freeze foods. Amongst the benefits of vacuum packaged foods is an extended shelf-life, takes up less room in your fridge, retains freshness, reduces waste, and saves you money. Bags are also suitable for sous vide cooking, handling a temperature range of 70-80°C for 3-4 hrs, and up to 100°C for 30-60mins. Take Advantage of a longer life.
