BZSUSSCBW12	Plate, Round	White	12oz	CT/1000	
BZSUSSCBW16	Plate, Round	White	16oz	CT/1000	

### Made from Renewable Sources

Sustain Sugarcane Plates and Bowls are made from sugarcane pulp (bagasse). Bagasse is the fibrous residue left over after the sugarcane has been crushed and the sugar extracted. The finished product is strong, water resistant and, more importantly, sustainable.

### Compostable

Compostable products breakdown into nutrient-rich organic matter, which can be used as a fertiliser for plants. Sustain sugarcane plates and bowls are compostable in industrial facilities under specific conditions.
