## Scouring Pads & Sponges

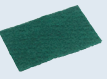

**Kwikmaster Scouring Pads and Sponges are an easy to use cleaning and hygiene solution suitable for any environment. The range includes premium, all purpose, super tough and stainless steel scourers and sponges to suit any and all of your cleaning needs.**

### Scouring Pads

Kwikmaster's range of scouring pads and sponges offer a selection of flexible pads with soft fibres to gently clean various surfaces and avoid harsh scratching. The Premium Soft pads are ideal for non-stick and delicate surfaces including glass, stainless steel and plastic while the All Purpose pads are perfect for the general cleaning of bench tops, cleaning pots and cooking utensils. Kwikmaster's Premium Nylon Scouring Pads are a great alternative to steel wool and metal sponges and are ideal for general cleaning in industrial and commercial applications.
