

## Recycled Paper Range

Offering recycled paper products for your washroom, kitchen and work spaces.

Pristine's recycled range includes hand towel and toilet tissue made from 100% post-consumer waste to reduce the amount of virgin and raw materials in the manufacturing process.

### Hand Towel & Dispensers

Basic hand towel solutions made from 100% virgin wood pulp and in recyclable paper packaging.

### 100% Post-Consumer Recycled Material

Pristine's Recycled Range of hand towel and toilet tissue is made from 100% post-consumer material. This is material recycled from the waste generated by households or other end users when a product has reached its end of use (AS 14021:2018 and ISO 14021:2016).

### HACCP International Certified

Selected Pristine roll towels and hand towels are HACCP International certified meaning they are suitable for use in facilities that operate in accordance with a HACCP International based Food Safety Programme. This is an internationally recognised method of identifying and managing food safety risk.
