- Top-Dry Technology that provides rapid absorption and continued dry surface
- Fluted elastics and soft belts provide optimum fit
- Easy-to adjust fasteners and flexible combi tape for repositioning
- Odour control system
- Supports a healthy skin balance
- Latex free and non-chlorine bleached materials
- Wetness indicator graduation scale

Specifications

ABENA Wing Premium

ABENA Wing incontinence products feature unique fitting properties and easy-to-adjust hook and loop fasteners to aid in increased freedom and improved quality of life. The leakage barriers and breathable textile backsheet coupled with unique Top-Dry Technology provides rapid absorption and ensures a dry surface to uphold skin integrity.
