### Made from Renewable Sources

Sustain Wooden Cutlery Packs are made from Forest Stewardship Council® certified (FSC® -C117930) birchwood. FSC® is a global, not-for-profit organisation dedicated to the promotion of responsible forest management.

Sustain wooden cutlery is stylish and functional, with a light beeswax coating for an improved experience when used for eating.

### Compostable

Compostable products will breakdown into nutrient-rich organic matter which can be used as a fertiliser for plants.

Sustain Cutlery Packs are compostable in industrial facilities so will breakdown under specific conditions.
