

NINJA RAZR

NIDIAMNC5 **Diamond 5 (D)**

Soft, cool, and flexible cut protection, plus good all-around grip.

FEATURES

- Soft PU coating offering superb flexibility and comfort
- 200% improvement in cut resistance performance when compared to gloves made with standard Dyneema® fibre
- The dramatically thin fibre of Dyneema® Diamond technology allows for increased cut resistance without the fibreglass discomfort
- Allows for better feel and control, and radiates heat away from hands for all-day comfort
- Provides 360-degree breathability
- High levels of cut performance without the use of abrasive material

SMART TECHNOLOGIES
