## Wet Wipes, Abena, Z-fold, 20x18cm, with plastic lid, single use

- ✓ Comfortable
- ✓ Cleansing effect
- ✓ Moisturizing
- ✓ Bed bath

### Product Description

Abena Wet Wipes are made from a polyester and viscose blend and are a good alternative to the traditional way of washing with water and soap. The product is for personal care and can be used all over the body. The wet wipe removes perspiration and bad odor and is hygienic to use because it is a disposable product. The wet wipes must be thrown in the trash after use. The product is available in different sizes and with both plastic lid and tape opening.

This product should only be used externally on the body. Avoid contact with eyes.

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions and public organizations. The purpose is to make it easier for the public sector to buy environmentally-friendly products.

The Swan label, also known as the Nordic Swan Ecolabel, is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.

The Dermatologically Tested symbol guarantees that products have been tested for potential skin irritations by an independent third-party laboratory.

Asthma Allergy Nordic guarantees that the products have been assessed by experts from Asthma-Allergy Nordic. Products with the label do not contain perfume, and they pose a minimal risk of skin allergy.

The product does not contain perfume.

The product is only for single-use.
