### Product Description

Abena Skincare Ointment with 41% lipids is ideal for very dry and/or irritated skin. Its formula helps maintain a natural moisture level of the skin. It helps to improve the skin texture as well as to repair the skin. Tests have shown that Abena's Skincare Ointment has outstanding, long-lasting moisturizing properties. The Skincare Ointment also provides an effective barrier which makes it suitable as preventing and supporting healthy skin for people in risk of developing incontinent associated Dermatitis (IAD) and/or baby rash.

Contains no colorants or perfume. Apply and distribute carefully in a thin effective layer. Dosage according to need. May be used frequently. Please allow the skin to absorb the cream before you continue. This product should only be used externally on the body. Avoid contact with eyes.
