STATUTORY DECLARATION

RE: Fitness for use in the food processing areas of PURELL Antiseptic Hand Foam, 9870-532

I, Christopher M. Fricker, Ph.D., Analytical and Applied Science Manager of GOJO Industries Inc, Akron Ohio US, sincerely declare as follows:

- (1) The formulation of the above preparation does not contain any ingredients as specified under Section 6 of the AQIS Guidelines for the Approval of Chemical Compounds Used at the Establishments Registered to Prepare Goods Prescribed for the Purpose of the Export Meat Orders (2005), such as Hazardous Substances (including those containing heavy metals, carcinogens, mutagens, and teratogens), Potentially Harmful Compounds or Odorous Compounds;
- (2) If used in accordance with the directions on its label, the preparation, will not deleteriously affect food or food products;
- (3) The formulation of the chemical compound complies with –
 - (a) Any relevant standards set out in the Food Standards Code of Australia New Zealand Food Authority; and
 - (b) The requirements of the United States Department of Agriculture’s Food Safety and Inspection Service Agriculture Handbook titled “Guidelines for Obtaining Authorisation of Compounds to be used in Meat and Poultry Plants”.

The chemical compound is suitable as a **Category 8 Liquid Hand Soap Type A**, for use in all areas.

The declaration is true and I know that it is an offence to make declaration knowing that it is false in a material particular.

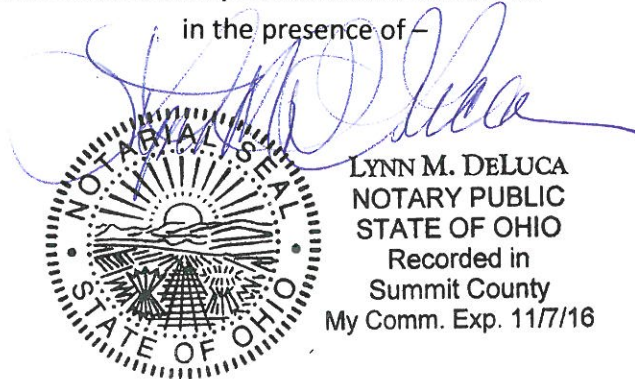

This declaration is made under the Oaths, Affidavits and Statutory Declarations Act 2005 at North Sydney NSW
